Principal’s Message

EDUCATION WEEK
Education Week is a time to celebrate the achievements and successes of our students and staff across all NSW public schools. Public education is undergoing significant transformation with a clear agenda of reform to provide the best possible education for all students. The commitment and dedication of all our teachers and support staff ensures that students are provided with quality education. As educators it is our job to inspire and excel in public education. I am proud of what we have all achieved and take the opportunity this week to acknowledge the valuable contributions of all my staff who work each day – with the common goal to constantly improve the education we offer to your children. A very big thank you to all our children, parents and staff for making our Education Week celebrations a fantastic success.

NEW UNIFORM EXPECTATIONS
Now that our new school uniform is in stock and students have their polo shirts I would like to ask for your support in maintaining a high standard of dress for our school. This means that it is not part of school uniform to send the children to school with different coloured skivvies under their school polo. We understand that it has been a very cold winter, but our new jumpers and jackets are very warm. We will look at costing a long sleeve polo for winter 2016.

STAFF CARPARK
A reminder this is out of bounds for parents. Please do not use this area to drive in to drop or pick up your children from school. School leaders have been given the responsibility of closing the school gates in the morning and their safety has been put at risk by parents who are using the staff car park entry to drop off their children. Please note that your registration number will be forwarded to authorities if your vehicle is identified in this area.

ATTENDANCE
August is Attendance Month. During Attendance Month all students are encouraged to reflect on the importance of attending school every day and on time. Look out for the special reward in this newsletter for students with perfect attendance!
