Mini Beasts

Dear Families,

Guess who is coming to Bonnyrigg Public School?

This term in Science and Technology Stage 1 has been researching and learning about the topic Mini Beasts (Insects). The students will be shown how to appreciate mini-beasts within the environment. Students are able to look at, touch and hold many of the mini-beasts that lurk around our environment.

All students are encouraged to attend to assist in their learning and further class participation. If you are experiencing financial difficulty, please do not hesitate to contact Mr Ward.

The Travel Bugs mobile team will be visiting Bonnyrigg Public School on Friday 16th March 2012.

The cost of the incursion (at school) will be $7.00. All students are required to pay by Wednesday 14th March 2012.
